F.11-4/48/T.
GOVERNMENT OF INDIA,
Ministry of Health.

New Delhi, the 23rd July 1948.

From

bans Singh, Esquire,
Assistant Secretary to the Government of India.

To

All Provincial Governments and Local Administrations.

Sub:- Higher training abroad - Employment of personnel returning after completing training.

Sir,

I am directed to say that since the candidates deputed for higher training abroad in medical and allied subjec during 1946 are likely to return to India this year after completion of their training it is requested that in order to obtain a proper record of the progress or otherwise of such candidates selected under the Government of India's Scholarship scheme the attached proforma should be completed in respect of each of the candidates three months after his return to India and forward to this Ministry. This would give an indication whether the scholarship scheme has served a useful purpose or not, and would give this Ministry information whether the scholar's training abroad has been utilized to full advantage on his return

2. It is hoped that the Provincial Government would do their best to employ such candidates suitably in the Provincial Service soon after they return to India on completion of training.

Yours faithfully,
(Sd). x x x
Assistant Secretary.
